THE EQUIPMENT IS SPECIFIED IN SCHEDULE A OF THIS LEASE AGREEMENT. LESSOR AND CRYPTOTECH HOLDINGS AGREE THAT THE LIQUIDATED DAMAGES SET FORTH ABOVE ARE REASONABLE AND NOT A PENALTY BASED ON THE FACTS AND CIRCUMSTANCES OF THE PARTIES AT THE TIME OF ENTERING INTO THIS AGREEMENT WITH DUE REGARD TO FUTURE EXPECTATIONS.

This Lease Agreement and any dispute arising from or in connection with this Lease Agreement shall be interpreted under and governed by Texas law, without regard to conflict of laws principles.

Lease-506(c)-5yr-24-sg-05-19-2022

## 7. BINDING ARBITRATION

CryptoTech Holdings and the Lessor agree that any disputes, claims, suits, actions, causes of action, demands or proceedings (collectively, "Disputes") arising from or related to the terms of the Agreement shall not be resolved in a court, and (ii) hereby waive the Lessor's and CryptoTech Holdings's respective rights to a jury trial. Instead, the Lessor and CryptoTech Holdings will arbitrate Disputes through binding arbitration (which is the referral of a Dispute to one or more persons charged with reviewing the Dispute and making a final and binding determination to resolve it instead of having the Dispute decided by a judge or jury in court).

- a. No Class Arbitrations, Class Actions, or Representative Actions.** Any Dispute arising out of or related to the Agreement is personal to the Lessor and CryptoTech Holdings and will be resolved solely through individual arbitration and will not be brought as a class arbitration, class action or any other type of representative proceeding. There will be no class arbitration or arbitration in which an individual attempts to resolve a Dispute as a representative of another individual or group of individuals. Further, a Dispute cannot be brought as a class or other type of representative action, whether within or outside of arbitration, or **on behalf of any other individual or group of individuals.**
- b. Federal Arbitration Act.** The Agreement affects interstate commerce and the enforceability of this section 6 will be both substantively and procedurally governed by and construed and enforced in accordance with the federal arbitration act, 9 U.S.C. § 1 et seq. (the "FAA"), to the maximum extent permitted by applicable law.
- c. Notice.** Each party will notify the other party in writing of any Dispute within thirty (30) days of the date it arises, so that the parties can attempt in good faith to resolve the Dispute informally. Notice shall be sent pursuant to the notice provisions of this Agreement. The Lessor's notice must include (i) the Lessor's name, postal address, email address, and telephone number, (ii) a description in reasonable detail of the nature or basis of the Dispute, and (iii) the specific relief that the Lessor is seeking. If the Lessor and CryptoTech Holdings cannot agree how to resolve the Dispute within thirty (30) days after the date notice is received by the applicable party, then either the Lessor or the CryptoTech Holdings may, as appropriate and in accordance with this Section 6, commence an arbitration proceeding.
- d. Process.** Any arbitration will occur in Dallas, Texas. Arbitration will be conducted confidentially by a single arbitrator in accordance with the rules of the Judicial Arbitration and Mediation Services ("JAMS"), which are hereby incorporated by reference. The state and federal courts located in Texas will have exclusive jurisdiction over any appeals and the enforcement of an arbitration award.

Lease-506(c)-5yr-24-sg-05-19-2022

- e. Authority of Arbitrator.** As limited by the FAA, the Agreement and the applicable JAMS rules, the arbitrator will have (i) the exclusive authority and jurisdiction to make all procedural and substantive decisions regarding a Dispute, including the determination of whether a Dispute is arbitrable, and (ii) the authority to grant any remedy that would otherwise be available in court; provided, however, that the arbitrator does not have the authority to conduct a class arbitration or a representative action, which is prohibited by the Agreement. The arbitrator may only conduct an individual arbitration and may not consolidate more than one individual's claims, preside over any type of class or representative proceeding, or preside over any proceeding involving more than one individual.
- f. Rules of JAMS.** The rules of JAMS and additional information about JAMS are available on the JAMS (<https://www.jamsadr.com/>). By agreeing to be bound by the Agreement, the Lessor either (i) acknowledges and agrees that the Lessor has read and understands the rules of JAMS, or (ii) waives its opportunity to read the rules of JAMS and any claim that the rules of JAMS are unfair or should not apply for any reason.
- g. Severability of Dispute Resolution and Arbitration Provisions.** If any term, clause, or provision of Section 6 is held invalid or unenforceable, it will be so held to the minimum extent required by law, and all other terms, clauses and provisions of Section 6 will remain valid and enforceable. Further, the waivers set forth in Section 6.A are severable from the other provisions of the Agreement and will remain valid and enforceable, except as prohibited by applicable law.

## 8. WAIVER.

The failure of either party to insist upon the performance of any obligation or term of this Agreement or to exercise any right hereunder shall not constitute a waiver of that obligation or term. No waiver of any right or obligation under this Lease Agreement shall be effective unless in writing and signed by both parties.

## 9. LEASE AGREEMENT ONLY - NO OTHER RELATIONSHIP

The Equipment is an asset wholly owned by the Lessor. It is not part of any other equipment. The Lessor has not invested in any company or entity by purchasing or leasing the Equipment. By purchasing the Equipment, the Lessor has not purchased shares or part of any company or entity. The Lessor is not entitled to any revenues, royalties, profits, percentages from any company other than as described herein in 1. above. The Lessor has not purchased cryptocurrency by executing this Lease Agreement. This Lease Agreement creates no employment, relationship of joint venture, partnership, limited partnership, fiduciary, or agency between the parties and the parties hereby acknowledge that no other facts or

Lease-506(c)-5yr-24-sg-05-19-2022

relations exist that would create any such relationship between them. The parties are engaging in this Lease Agreement as independent parties with respect to each other.

**10. SUCCESSORS AND ASSIGNS.**

This Lease Agreement shall inure to the benefit of and will be binding upon and enforceable by the parties and their respective heirs, representatives, successors and permitted assigns.

**11. ENTIRE AGREEMENT; AMENDMENT.**

This Lease Agreement and the schedules attached hereto constitute the entire understanding and agreement between the parties with respect to the subject matter set forth in this Lease Agreement and supersedes any and all prior agreements, understandings, promises, conduct and representations made concerning the subject matter of this Lease Agreement. This Lease Agreement may only be amended in writing, signed by each party to this Lease Agreement.

**12. COUNTERPARTS; ELECTRONIC SIGNATURES.**

This Lease Agreement may be executed in counterparts, each of which taken together shall constitute an original, single, binding agreement between the parties. Any signature of a party required by this Lease Agreement may be transmitted to the other party via facsimile or other electronic transmission and such facsimile or electronically transmitted signature shall be deemed an original signature binding upon the signing party for all purposes.

**13. ATTORNEYS' FEES AND COSTS.**

In the event that either party must resort to legal action in order to enforce the provisions of this Lease Agreement or to defend such action, the prevailing party will be entitled to receive reimbursement from the non-prevailing party for all reasonable attorneys' fees and all other costs incurred in commencing or defending such action, or in enforcing this Lease Agreement, including but not limited to post judgment costs.

**14. SEVERABILITY.**

If any term, provision, covenant, or condition of this Lease Agreement is found to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining provisions hereof will continue in full force and effect and will in no way be affected, impaired, or invalidated.

**15. SURVIVAL.**

Sections 2 through 14 of this Lease Agreement will survive the expiration, termination, and cancellation of this Lease Agreement.

### (THE SALE OF COMPUTER EQUIPMENT (MINING FARM COMPUTERS))

NFN8 Media is offering to sell up to a total of Indefinite number of computer equipment systems called Mining Farm Computers to be used in cryptocurrency mining operations (the "Computer Equipment"). **The Services and Purchase Agreement is for a purchase of THIRTY-FOUR (34) Mining Farm Computer(s) for a Total Fee of \$1,020,000.00.** Since the purchase of the Mining Farm Computers offered in each **Services and Purchase Agreement** along with an opportunity to immediately lease back the Mining Farm Computers to an NFN8 Media affiliated company could potentially be construed as a sale of a "security" by Federal and State regulators, we are only allowing "accredited investors", as defined below, to participate in this purchase and lease-back transaction (The **Services and Purchase Agreement and the Lease Agreement**). NFN8 Media reserves the right to increase the amount of the sale of computer equipment in its sole discretion. The initial closing of each **Services and Purchase Agreement** (the "Initial Closing") will occur as soon as practicable after NFN8 Media has accepted the initial **Services and Purchase Agreement**. It is currently contemplated that the proceeds each **Services and Purchase Agreement** will be delivered to NFN8 Media at one or more closings. Following the Initial Closing, NFN8 Media may conduct one or more subsequent closings (consummation of each individual **Services and Purchase Agreement**) until the earlier of (i) December 31, 2021, subject to the right of NFN8 Media to extend the sale of computer equipment or (ii) the date on which the maximum sale of computer equipment equals Indefinite. If the sale of all computer equipment is successful, NFN8 Media may sell additional MINING FARM Computer Equipment, for an additional aggregate price of up to Indefinite. NFN8 Media may employ registered commissioned selling agents in

Lease-506(c)-5yr-24-sg-05-19-2022

connection with the offer to sell Mining Farm computers to Clients, who will purchase them and lease them back.

Although NFN8 Media is attempting to sell up to Indefinite of Computer Equipment pursuant to the terms of each individual **Services and Purchase Agreement** (the aggregated total of all **Services and Purchase Agreements** which equals the total computer equipment sales described in (ii) above), it is not obligated to sell or lease-back the maximum amount of computer equipment described in (ii) above, and it cannot make any assurances that such amount will be sold or leased or both. All proceeds from each **Services and Purchase Agreement** for Mining Farm Computers will be deposited into the regular business account of NFN8 Media, and no escrow account will be established. NFN8 Media will forthwith prepare and deliver the Mining Farm Computers to the designated data center that NFN8 chooses on behalf of the client.

Upon closing any **Services and Purchase Agreement**, NFN8 Media will immediately begin to utilize the proceeds received therefrom, notwithstanding the fact that NFN8 Media has not received purchases for all or even substantially all of the Mining Farm Computer Equipment. NFN8 Media is not obligated to sell all of the Computer Equipment pursuant to this Agreement.

Lease-506(c)-5yr-24-sg-05-19-2022

(7) Any trust with total assets in excess of \$5,000,000, not formed for the specific purpose of acquiring the securities offered, whose purchase is directed by a sophisticated person as described in Rule 506(b)(2)(ii); and

(8) Any entity in which all of the equity owners are Accredited Investors.

### **SECURITIES ACT AND EXCHANGE ACT COMPLIANCE**

Enacted in 2012, Section 201(a) of the Jumpstart or Business Startups Act (JOBS Act) eliminated the prohibition on using general solicitation under Rule 506 where all purchasers of the securities are accredited investors and the issuer takes reasonable steps to verify that the purchasers are accredited investors. An “accredited investor” includes a natural person who earned income that exceeded \$200,000 (or \$300,000 together with a spouse) in each of the prior two years, and reasonably expects the same for the current year, or a natural person who has a net worth of over \$1 million, either alone or together with a spouse (excluding the value of a person’s primary residence). An “accredited investor” may also be a non-human entity such as a bank, partnership, corporation, nonprofit or trust, when certain criteria are satisfied. A more detailed definition of “accredited investor” is included in the Definitions section *supra* and is available in full within Section 501 of the SEC’s Regulation D.

The JOBS Act requires that issuers wishing to engage in Rule 506(c) general solicitation must take “reasonable steps” to verify the accredited investor status of purchaser. One of the most common ways for an issuer to meet this standard is to obtain written confirmation from a licensed attorney stating that such person or entity has taken reasonable steps to verify that the purchaser is an accredited investor. In this particular offering, legal counsel, a broker dealer, accountant or third-party verification service (collectively hereinafter referred to as the “Service”), on behalf of NFN8 Media will make an objective determination as to whether the steps taken are “reasonable” in the context of the particular facts and circumstances of each lessor and transaction. The Service will consider all relevant factors illustrated by Rule 506(c), which may include but are not limited to the following considerations:

- The nature of the lessor and the type of accredited investor that the lessor claims to be.
- The amount and type of information that CryptoTech Holdings has about the lessor.
- The nature of the offering, such as the manner in which the lessor was solicited to participate in the offering, and the terms of the offering, such as minimum investment amount.

Lease-506(c)-5yr-24-sg-05-19-2022

Furthermore, the Service will require documentation to verify that a lessor is qualified as an accredited investor. The following is a non-exclusive list of verification methods that the Service may use when seeking greater certainty that a lessor satisfies the verification requirement with respect to natural person lessors:

- Verification based on income, by reviewing copies of any Internal Revenue Service form that reports income, such as a Form W-2, Form 1099, Schedule K-1 of Form 1065, and a filed Form 1040.
- Verification on net worth, by reviewing specific types of documentation dated within the prior three months, such as bank statements, brokerage statements, certificates of deposit, tax assessments and a credit report from at least one of the nationwide consumer reporting agencies, and obtaining a written representation from the investor.
- A written confirmation from a registered broker-dealer, an SEC-registered investment adviser, a licensed attorney or a certified public accountant stating that such person or entity has taken reasonable steps to verify that the lessor is an accredited investor within the last three months and has determined that such lessor is an accredited investor.
